

Role Description

Role Title: Public Finance Professionals, Education Management

Location: Bangalore

Job Description:

While the school, community and teachers are critical stake holders in the education process, the education administrators are responsible for managing the educational process in a manner that supports and empowers the school to achieve its objectives. A motivated education delivery system with a vision and competence that is consistent with the spirit of the National Policy of Education can play an extremely supportive role in achieving the educational goals. To support and empower the education delivery system, we have created an education management cell, We are looking for the Public Finance Professionals with the following capacities to strengthen this cell:

The role is to provide guidance on managing financial disciplines, cost, mobilization and utilization of resources, and contributing to development of necessary competencies among educational leaders to manage finances more efficiently.

Qualifications:

CA / ICWA

Experience:

15 years and above in a similar capacity

Specific Job Competencies Required:

- Has worked in Project Management cases.
- Is able to advice governments on most effective ways of utilizing Finances
- Is willing to engage intensely with Government systems and processes.
- Is aware of the man-power mapping for optimum utilization of the resources
- Is computer literate – well versed in e-mail, Word, Excel and Power Point
- Is fluent in Kannada and English
